The brand new PP2B Customer Portal next level service for next level packaging

Dear client,

we are pleased to present our new B2B portal „PP2B“. Innovation has always been a priority at progress packaging. And so we are particularly proud that introducing our customer portal we are once again a pioneer in the packaging world.

Through this portal, you will be able to manage all sales activities with progress packaging and also access important information, documents and marketing material. Below you will find an overview as well as a manual for using this service tool, by explaining each area in more detail. Now, it's your turn to fill out the registration form on the backside, send it in and experience a new level of service with progress packaging!

We are looking forward to you using our next level service !

Your Werner Fink,
Managing Director
